Bees in our House!

We had bees in our kytchen, but not for long. My dad is good at catching them. he showed me how he does it. First, he lowers a glass carefully over the bee. Next, he slips a postcard under the glass Then, he takes the whole thing outside and lets the bee go. i tried to catch one of the bees in our kitchen, but I couldn't get the glass over it because the bee scared me A bee is not a timud insect. Last year I was stung near a garbige can at a picnec. Since then I've never cared much for picnics—or bees.
