Dear Math Champion,

In these two weeks you will be learning more about triangles and quadrilaterals, and working with customary units. You will learn new concepts and apply basic knowledge of the four basic operations: addition, subtraction, multiplication, and division.

Don't forget to visit the webpage serflo1.com. You can see your homework, scores, practice exercises, and more. Click on **subjects**, then go to **math**, then click on **grades**, or helpful exercises.
